Primary objective is to help build partnerships between Business/Military/Community!

- Facilitate positive outcomes from growth

- Support the ongoing needs and success of our local military installations
- Improve the flow of information amongst all interested parties

We strive to provide: INFORMATION, NETWORKING and ACCESS, in support of businesses, military installations, communities and our other partners.

The Alliance **assists existing businesses** in the Northern Virginia Region, **supports local military** installations and DoD agencies and **serves a regional membership** that stretches from Arlington to Fredericksburg. We also partner with ten chambers of commerce in the region.

*The primary objective is to ensure the entire region, as well as MCB Quantico and Fort Belvoir, enjoy the maximum benefits of growth opportunities – including business and job growth and commercial development, now and in the future.*
